Elwood Powell was match director and ran the line.

Larry Scanlan was pit officer.

The temperature was in the mid 80s.

The wind was 10 - 15 mph. It blew mostly north but switched and let off. It was a very tricky wind.

For award purposes the Master, Expert and unclassified classes were combined. The Sharpshooters were a separate class.

Many thanks to the Centerville Small Arms Association for allowing us to use their range. And many thanks to all those who helped with target refacing and weed eating the firing lines to make this match a success.
